-Clay gave a celebration report, which is not a complete list, but highlighted the following; There was a pastor rotation this year. The church celebrated the 5 years they had with Pastor Whitney Hair and welcomed warmly Pastor Daniel Lee and his wife, Jinah. The Leadership Board set a goal at the beginning of the year to welcome people for Blessing of the Backpacks and to offer a children's service and it was a success with several children in attendance. The church continues to serve ice cream faithfully each month at Inman Elementary School. The church provided several Easter baskets to children with DFCS. The church packed close to 100 shoeboxes for UMCOR in Alabama, which will be distributed all over the world. They hosted a successful Easter Egg Hunt for the community, with 11 children and 5 community adults in attendance. The Youth have served at Bloom, the Calvin Center, and helped clean an older church member's yard. Several Missions Abroad took place, including the Youth Mission with ASP to WV, 2 groups who went to UMCOR in AL, and a group who partnered with FFUMC on mission to El Salvador. The church has also hosted several potlucks and church workdays, including preparing the parsonage for the new pastor's arrival. Clay expressed how proud he is of everyone who has participated and looks forward to continuing to share the love of Christ.

-Rev. Dr. Boone thanked the church for reaching the community and acknowledged the partnership with FFUMC as a great form of outreach. Discussion shifted toward the "We are One GA". Inman and FFUMC will be redistricted into the Ocmulgee District, as the lines have been redrawn. There are currently 5 North GA districts and 6 South GA districts. All of these will combine into 8 distinct districts under the new One GA. She explained that Fayette County will be under the Ocmulgee District and will have a new DS. These changes will take place on January 1. She also encouraged everyone to sign up to receive the District Newsletters to keep up with this information. A new website will be launching soon. Denise Wilson could not be with us tonight, as she was at another conference, but it was mentioned that she has been the Administrative Assistant to the DS for 29 years.

-Tina Stevenson offered her appreciation to Inman for being present at the district conferences and expressed that she has seen Brad and recognized him specifically from other events. She also encouraged everyone to subscribe to the newsletter. She reiterated the District shifts with the new One GA and mentioned that at the Unifying GA Conference which took place on Sept. 26, the Bishop noted that there are 8 Million unchurched people in GA. She explained that the new district names were chosen to reflect indigenous rivers and lands in GA. She gave examples of some of the names (Tallapoosa and Ocmulgee), and further explained that the cities will also show on the website when going to register for

events. It was also noted that she, herself, lives in Fayette County and will be staying with the new district.

- A time was opened up for questions. Clay asked for clarification of who would be staying in the district. Tina stated that she would stay with this district, although Rev. Dr. Boone and Alecia Battle will be with another district. He then asked if anyone knows who the new DS will be and Rev. Dr. Boone shared that the new DS would likely be Dr. Eric Lee, but she was unsure about who will be in other positions. She noted that all of that information should be sent out soon.

Rev. Dr. Boone called Rev. Daniel Lee to deliver Benediction

Rev. Daniel Lee thanked all in the Leadership Board and all who were in attendance and closed in prayer.

Rev. Dr. Julie Boone adjourned the meeting.

Respectfully submitted by Katie Nalley, Inman UMC Secretary
